## FLAUS FEATURES

### SONIC VIBRATIONS

At 18,000 sonic vibrations/min, Flaus moves quickly and easily between tight teeth to massage gums and remove plaque and debris.

### ERGONOMIC HANDLE

Flaus' ergonomic soft-touch handle gives you full control, while keeping your fingers (and the 10 million bacteria that live on them) out of your mouth.

### HABIT BUILDING

Flaus helps you develop habits! 9/10 customers report flossing MORE after Flaus!

### RECYCLABLE FLOSS HEADS

Our disposable floss heads are fitted with high performing floss and use 30% less plastic than traditional floss picks. Meant for one-time-use, we also offer a free recycling program for used floss heads.

### DENTIST-DESIGNED AND RECOMMENDED

Flaus was designed with dental experts from day one to ensure the very best clean.

### TWO-MONTH BATTERY LIFE

Our rechargeable flosser has a long-life battery and comes with a charging base and USB cable to boot.
